

## **uMzimkhulu Library**

uMzimkhulu Municipality is still committed to the development and promotion of education, which is why there is a plan to establish a library Roadshow for all uMzimkhulu. that is why Council bought a truck.

In part to lift the importance of education, the Municipality has a library roadshow program conducted in Zones. These events are conducted jointly academically or in partnership with the Department of Education by the fact that teachers become judges of the day in these events learners compete in Spelling, Quiz, Counting, Reading and Crayoning, succeeded learners receive variety of awards as an inspiration.
