

## Youth summit

Once again, the uMzimkhulu Municipality hosted 2022 Youth Summit event at eSayidi TVET collage to wrap up youth month. A spokesperson of the youth of the region Mr. Qiniso Mnguni applauded the leadership for taking steps to realize the ideals of the youth and to change peoples lives by having economy in their hands.

In this regard, with the voice of the speaker of the Municipality Cllr. Gugulethu Mavuma, The Municipality has announced that will launch a youth skills screening program in the wards of this council so that youth support can be defined by program. This plan should give a detailed description of the skills of the people of uMzimkhulu in their diversity, which will help value those skills. One of the aims of the program is to prevent young people from leaving their homes because they feel that their lives will be better if they live in the cities outside of uMzimkhulu and therefore the Municipality is committed to developing those areas. This will go along way in boosting the local economy.

The storm of the development, Mayor of the uMzimkhulu Municipality, the Honorable Cllr, Jabulile Msiya we have expressed out deep respect the for the young people of this area for their enthusiasm and the way they look. The leaderships of this Council they have taken a decision to increase LED unit funding I order to bring the youth in business Closer.
